Re: Request Pursuant to S.C. Public Records Statute

Dear Chairman Hamilton,

I hereby request – pursuant to the S.C. Freedom of Information Act – that you provide me the opportunity to inspect and obtain copies of the following public records, in whatever form these records may be kept:

1. Duke Energy Corp.'s cost estimates for the Lee Nuclear Station as related to the commission in a closed hearing on May 12, 2008.
2. The written record of testimony related to Duke Energy Corp.'s cost estimates for the Lee Nuclear Station provided by Dhiaa M. Jamil, group executive and chief nuclear officer, during a closed commission hearing on May 12, 2008.

In accordance with the Public Records Statute, I am willing to pay the actual cost of any copies I may obtain, but I request that you furnish me with an estimate of such costs prior to incurring costs in excess of \$300.

I would appreciate a response by the close of business on May 27, 2008. Please contact me at (704) 973-1121 or [rmorris@bizjournals.com](mailto:rmorris@bizjournals.com) if you have any questions about this request.

Sincerely,

Robert Morris
